

## Celebrity Support

The Anthony Nolan Trust is fortunate enough to have many high profile celebrity supporters that are on our register, take part in fundraising events and generally support the work that the Charity does.

These celebrity supporters also help us to encourage as many people as possible between the ages of 18-40 to join The Anthony Nolan Bone Marrow Register by approving quotes of support and talking about their experiences of joining, and in the case of [David Harewood](#), becoming a bone marrow donor.
